Winner—Br. g. by Pontiac—Calypso.

Went to post at 1:59. At post 8 minutes. Start poor. Won easily; second the same. Sir Christopher had a length's advantage and was well in motion when the flag fell. He was doing his best all the way. Kiss Quick ran well and finished strongly. Weird was tiring at the end and was used up in chasing the leader. Ahamo was as good as left and made up much ground. Olekma showed early speed.

Overweights—Weird, 11 pounds; Ahamo, 1.

Kiss Quick, show, evens. Weird, show, evens.

Winner—Gr. c. by Dr. Rice—Frances D.

Went to post at 2:32. At post 18 minutes. Start good. Won handily; second easily. Frank Rice was flatfooted when the flag fell, but wore the leaders down in the first quarter. He was then cut off at the furlong post when he attempted to come through on the inside and Landry pulled up and came around Tom Maybin. He outgamed the latter when it came to a drive and was drawing away at the end. Tom Maybin ran an excellent race. The Don was hustled along all the way. Sweet Nell is a bad actor and unseated Slack while at the post. Wilton ran a half mile to a false break. She stumbled in the next break and threw Robertson and stepped on him. Eufala showed early speed.

Scratched—30849 Sue Vius, 97.

Overweights—Sweet Nell, 3 1/2 pounds.

Odor allowed him to be cut off a half dozen times, but he came strongly when he got clear in the run home. He had to outclass his field to win. Mynheer showed much speed, but hung when called on. Malay ran well and finished strongly. Ida Ledford quit.

Winner—Ch. g. by St. Carlo—Santa Cruz.

Went to post at 3:48. At post 4 minutes. Start good. Won driving; second the same. St. Cuthbert showed the most speed and went to the front without much of an effort but was doing his best all through the last furlong to stall off Maggie Davis. The latter had a rough trip, was cut off on the back stretch and Waldo had to pull up and go through a tight place next to the inside rail and came strongly in the run home. Wilkerson was not strong enough to do Albula justice. This is a fair horse and is good now.

Andes made up a lot of ground in the last sixteenth.

St. Cuthbert, show, 1 to 2. Maggie Davis, show, evens. Albula, show, 4 to 1. Andes, show, 3 to 5.

Winner—Ch. f. by Hanover—Johnetta.  
Went to post at 4:46. At post 3 minutes. Start good. Won driving; second easily. Algie M. was under punishment all through the last furlong and was driving to the limit at the end to stall off Balloon. The latter came fast through the stretch and was going strongly at the end. Choice showed the most early speed, but found the route too far. Digby Bell made up a lot of ground in the run home. He got in a jam at the first turn and was temporarily knocked out of it. Blue Ridge had a rough trip and was interfered with several times and cut off.

Winner—Br. c. by His Highness—Lilita II.  
Went to post at 5:15. At post 4 minutes. Start good. Won handily; second easily. Carl Kahler was best and showed the most speed and set a fast pace but was doing his best at the end to stall off John Grigsby. The latter had to go all around his field to get up and ran an excellent race. Ben Hullum hung when it came to a drive. Lady Kent was cut off at the far turn. Orla quit almost to a walk at the end. She is probably getting too much racing.

She had to run all around her field in the early stages, but came fast in the last furlong and won with plenty in reserve. Swan Dance was badly handled. She carried into Give and Take at the start and unseated Boland. Fannie Knox tired after going a half. Hanno came fast at the end. Capitolia showed early speed. Troubaline was hard ridden in the last furlong. Olea was poorly ridden and should have been second. Brewer, on Ventoro, appeared to do everything possible to beat his mount. Went to post at 5:01. At post 2 minutes. Start good. Won driving; second easily. Tom Curl ran a surprisingly improved race and under good handling showed plenty of early speed in addition to gameness when it came to a drive in the stretch. Ducassa is a slow beginner but came fast in the last quarter. By George was asked to do too much over a route he does not like. Sam Lazarus Esq. was under a choking pull the first three-quarters and Castro's finish on him was painfully weak. Ben O'Fallon had no mishaps.

Queen L., under punishment, came fast in the last furlong. Eva's Darling had no mishaps and ran her race. Grace was a contender the first three-quarters, but found the extra furlong too far. Ordeal wants a shorter route. At that he showed little speed at any stage.

# The Melbourne Stud.

**Handspring** LIMITED TO THIRTY APPROVED MARES. (PROPERTY OF P. J. DWYER). **\$100**

Handspring won the Great Trial, Tremont, Double Event (both renewals) Foam, Billow, Withers and Carlton Stakes, Brooklyn Derby, etc. Chestnut horse, standing 16.1 hands high. By Hanover—My Favorite, by imp. Rayon d'Or. Handspring's oldest get were two-year-olds in 1901. He has had but six starters, three of which, Merriment, Meditation and Major Daingerfield, are high class winners, and one of his other starters, which only twice raced, ran second in one of his starts in company of stake class. Handspring's breeding must be considered extra fashionable and up-to-date, being by the great Hanover and out of a daughter of the grand imp. Rayon d'Or, who won on the turf no less than \$122,140 and showing wonderful ability to go any distance and to carry any sort of weight. Handspring's second dam was by the successful sire imp. Glen Athol, a son of Blair Athol, winner of the Derby and St. Leger, and he out of Blink Bonny, by Melbourne, and she won both the Derby and Oaks, and grandson of both Pocahontas and Queen Mary and sire of the Derby and St. Leger winner Silvio, and the great Prince Charlie, probably the fastest horse that ever ran in England. Handspring's next dam is by none other than the great and only Glencoe. Going back to Rayon d'Or we find him out of a mare by the son of the immortal Touchstone, the foundation stone of nearly all perfect pedigrees, and her second dam was old Pocahontas herself, by imp. Glencoe. Thus combining several times over the wonderful Glencoe blood. Any breeder stinting a good mare to Handspring has a chance to produce the greatest horse that ever lived, and his stud fee is certainly a very low one, taking everything into consideration.

**Rainbow** **\$50**

Brown horse, 16.3 hands high, foaled 1890, by Longfellow, dam Buff and Blue, by War Dance. Rainbow won the Brooklyn Derby and many other races, in which he defeated the best horses in training and during his three-year-old form worked a mile and a half trial in 2:35 over the Coney Island track. Rainbow's dam, Buff and Blue, is by War Dance, one of the best of Lexington's sons, out of the famous old matron, Reel, by imp. Glencoe. Buff and Blue also produced Bright Phoebus (winner of the Realization Stakes), Monita Hardy, Sister Geneva (dam of Carnero), and other winners. His second dam, Balloon, was one of the greatest long distance race mares ever seen in this country and produced the famous brood mare Ballet. Rainbow is one of the finest thoroughbred stallions in America and sold for \$8,200 as a yearling. Rainbow made his first season in the stud at Melbourne in 1900, but he was stunted to a few mares before that and from those services he has had seven starters, every one of which has been returned a winner, including the three high class performers Menace, who won eighteen races, a greater number than any other three-year-old filly in training in 1901; Wealth, a three-year-old filly, who in her first and maiden start forced the noted Futurity winner Ogden, then an older horse, to run a mile under 1:40 to beat her a head, and Percy F., a several times stake winner. For 1902 Rainbow is limited to thirty mares, of which twenty will be his owner's.

**St. Julien** LIMITED TO THIRTY MARES. **\$50**

Own brother to the stake winners and successful sires Prince of Monaco and St. Carlo. Chestnut horse 16 hands high, foaled 1891, by imp. St. Blaise—Carina by Kingfisher. St. Julien was a stake winner and raced with success as a two and three-year-old, winning The Larchmont Stakes, 3-4 in 1:12, and other races, and was beaten a head by John Cooper in the Vreeland Handicap, 7-8 in 1:28. St. Julien was only stunted to a very few mares previous to going regularly in the stud at Melbourne in 1901, yet he has sired the flying Myrtle Dell, who made a track record as a two-year-old in 1901, Sard Seething, St. Dean, Kabyle, Princess Julien, Blonde Grayson, etc. Mr. Barnes thinks St. Julien fully the equal of his full brothers, St. Carlo and Prince of Monaco. He is a sure foal getter, having twenty-eight mares in foal from a service of thirty-three last year. He is also a grand breeder of individuality and as fine a tempered horse as there is in Kentucky.

**Jim Gore** **Private**

By Hindoo, dam Katie by imp. Phaeton. Sire of Beau Gallant, The Goldfinder, Amelia May, Beau Ideal, Moncreith, Gorman, Knowles, Donna Seay, and many other stake winners and great campaigners.

**Prince of Monaco** **Private**

By imp. St. Blaise, dam Carina, by Kingfisher. Sire of Fancywood, Blennenworth, Monarka, Precursor, Autumn Leaves, Sting, Kilmantle, who won twice and was placed four other times out of seven starts in England in 1901, Colbert, and many other winners.

The Melbourne Stud now consists of five stallions and 108 of as finely bred young matrons as can be found on any single breeding farm in this country. The mares are now kept on eight different farms and the yearlings on four different farms—far apart and yet within a few miles of Melbourne, for it is my fixed opinion that strictly high-class race horses can be bred with more success if kept apart in small lots rather than banded together in large numbers.

Mares kept in box stalls, well bedded down, the charges will be \$10 per month, when running on grass \$5, which must be considered a very low price, considering the established reputation the Melbourne Stud has for the care of its stallions, mares and all thoroughbred stock. It is a practice at the Melbourne Stud to try the mares three times a week until the first of June, and after that time every day until the season closes, July 1st, which is a guarantee that every mare will be got in foal, if care and attention will accomplish this end.

Usual return privilege, if horse is alive and in my possession.
